MEMORANDUM FOR: Chief, DO/	25 X 1
VIA : Chief, OLL/Liaison Division	
FROM : Chief, Senate Liaison	-
SUBJECT : Senator Moynihan's November 1984 Trip Abroad.	
1. Given Senator Moynihan's past record of frequent last minute cancellations of foreign trips and the fact that he curr is in India for the Gandhi funeral, his plans for an 8-30 Novem jaunt to Israel, Greece, Hungary, Poland, Berlin, and London se tentative at best. We shall have to await his return to the US 4-5 November before receiving an official "go/no-go" statement. Attached hereto is a calendar type travel schedule with the latinformation on his plans.	nber eem S circa
2. We have pieced together a few additional pieces of inftion from his staff and from a conversation the Senator had received by the DOLL. President Herzog has asked the Senator to be a key speaker at a Zionist anniversary event in Israel on 11 November intends, if possible, to drive "as much of the way as possible" Eastern Europe. He will fly from Warsaw to Berlin. Circa 26 Now he will speak at Whitehall on the occasion of a celebration of Roosevelt's 100th birthday. He stated a desire, at the several to see the Ambassador, and to get the atmosphere place by walking about the streets. He said he'd like to visit some Solidarity folks in Poland, but not if it would get them it trouble. His staff advises that the Senator prefers to stay in bassies except in Israel (King David Hotel, Jerusalem) and in Le (Hotel Athenaeum which he understands has reciprocal privileges his Century Club). He requests accommodations at "an official tion" in Berlin.	cently vnote in He lovember Eleanor stops, of the 25X1 with nto Em- ondon with
3. Moynihan staffers advise the Senator likes to talk to personnel on these trips but "will be tired after the elections we should "resist the temptation to overload him." For example Senator "hates briefings he could just as well have received in ington" He does wish to the appropriate courtesy calls in each Embassy/country.	" and , the Wash-
4. Curiously, Senator Moynihan will be traveling unaccomp according to his staff. He has characterized this as "his fina as a member of the Intelligence Oversight Committee." All part should keep in mind his previously proven propensity for last-m trip postponements or cancellations. More data/perspective wi forwarded as available on 5-6 November.	1 trip ies inute
